

Where Supply Chain and Logistics Meet

## AIA GLOBAL LOGISTICS LLC

# Capability Statement

### About Us

Since 2016, AIA Global has helped businesses from various industries with their shipping needs. We provide competitive rates while ensuring we meet our customers' needs and service levels. The successful completion of numerous fulfillment projects for Military, AOG, Oil and Gas, have supplied us with the experience to handle your shipments in a smooth and efficient way. We have the necessary tools and flexibility to meet your budget and time requirements.

### Core Competencies

We provide logistics solutions through all modes of transportation (Air, Ocean and Inland). All our services are licensed and up to date with the highest standards in the industry.

AIA Global has developed a worldwide network of agents that follow the same standards as we do, to ensure that we have our customers covered with the best service at the right place and the right time.

Our employees have more than 30 years' experience in the industry to always ensure we provide our customers with invaluable insight on how to make logistics as efficient and effective as possible.

Our software will allow you to track shipments, and get notifications for the latest updates.
